WELCOME

THANK YOU FOR CHOOSING VERIZON WIRELESS

You're now connected to America's largest, most reliable Verizon 4G LTE Network. That's up to ten times faster than 3G. So go ahead, make yourself heard. For more information, visit verizonwireless.com/4GLTE.

This book will show you how to unleash the potential of your new device. Assistance is at your fingertips at verizonwireless.com. Customer Service is at your disposal at 1-800-922-0204 or at any Verizon Wireless Store. A comprehensive User Guide is available on demand—simply download one at support.vzw.com/phones, or call 1-800-734-5870 to order a copy.

Note: Devices and software are constantly evolving—the screen images and icons you see here are for reference only.

IMPORTANT CUSTOMER INFORMATION

DATA PLANS AND FEATURES

Content and Internet Access

Many services and applications offered through your device are provided by third parties. Before you use, link to or download a service provided by a third party, or an application such as a non-Verizon Wireless location-based GPS-type service, chat room, marketplace or social network from your device, you should review the terms of such service or application and applicable privacy policy. Personal information you submit may be read, collected or used by the service or application provider and/or other users of those forums.

Verizon Wireless is not responsible for any information, content or services you access, download or use from the Internet. You are responsible for maintaining virus and other Internet security protections when accessing service. For additional information, visit the Verizon Content Policy at

responsibility.verizonwireless.com/contentpolicy. Your Verizon Wireless Customer Agreement terms and conditions and certain other specially identified

terms govern your use of any Verizon Wireless products and services.

MY VERIZON

Save time. Save money. Register now at verizonwireless.com/myverizon.

- **Manage your account.** Quickly check your voice, text and data usage or make adjustments to your plan at any time.
- **Get personalized support.** My Support answers your questions quickly.
- **Pay bills your way.** Go green and set up Paperless Billing, make a one-time payment, or use Auto Pay and never worry about missing a payment.
- **Much more.** Transfer your contacts in no time with Backup AssistantSM Plus, move your media, pick your Friends & Family[®], or view email in one place from popular Internet-based email accounts, including Yahoo![®], AOL[®], Gmail[™], and Windows Live.

Caution: Before assembling, charging, or using your phone for the first time, please read the important safety, regulatory and legal information provided with your product.

BASICS

YOUR SMARTPHONE

This product meets the applicable limit for exposure to radio waves (known as SAR) of 1.6 W/kg (FCC & IC). The limits and guidelines include a substantial safety margin designed to assure the safety of all persons, regardless of age and health. The highest SAR values measured for this device are listed in the regulatory information packaged with your product.

FIRST STEPS

INSTALL THE 4G MICRO SIM CARD

Note: A Subscriber Identity Module (SIM Card) is a "smartcard" that houses personal information, such as your mobile phone number, calling plan, account information, and content, such as contacts, text messages, and call history.

The Verizon Wireless 4G Micro SIM Card is compatible with any Verizon Wireless 4G certified device. You can move the 4G Micro SIM Card from one device to another and your wireless service will work seamlessly as long as you have a compatible device and service plan. To see which devices are compatible with the Verizon Wireless 4G Micro SIM Card, visit verizonwireless.com/certifieddevice.

ASSEMBLE & CHARGE

* Optional. A microSD memory card is pre-installed in Motorola XT912, XT912M, and XT912W models. For other models, you can purchase a microSD card separately, if desired.

Note: This product uses a non-removable battery. The battery should only be replaced by a Motorola-approved service facility. Any attempt to remove or replace your battery may damage the product and void your warranty.

Tip: In the unlikely event that your device becomes unresponsive, try a forced reboot—press and hold both the Power key and the down volume key for up to 10 seconds.

Warning: Please use only an approved charging accessory to charge your device. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your device and void your warranty.

SET UP & GO

Note: It's important to fully charge the battery before turning on your smartphone.

Follow the on-screen instructions to backup or restore your contacts, set up personal and corporate email accounts, and set location preferences on your smartphone.

For more information on how to set up your email, visit smartphones.verizonwireless.com. Click on the Smartphone Support tab and select your smartphone.

GOOGLE™ ACCOUNT SETUP

Create or set up your Google™ account to get access to all of your Google services, like Gmail™, Google+, Google Play™, and more. Registration is secure and only takes a few minutes. Your Gmail contacts are synced to the smartphone when you log in to your Google account.

To set up your Google account, touch Menu  > **System settings** > **Accounts & sync** > **ADD ACCOUNT** > **Google**.

If you create a new Google account, be sure to record your account information.

Username: _____@gmail.com

Password: _____

Note: You don't need to have a Google account to use your smartphone.

Note: This smartphone supports apps and services that use a lot of data, so make sure your data plan meets your needs. Contact Verizon Wireless® for details.

BACKUP ASSISTANTSM PLUS

Backup Assistant Plus is a free service from Verizon Wireless that saves your smartphone's contacts to a secure server. If your smartphone is lost or damaged, or if you upgrade to a new smartphone, Backup Assistant Plus will restore your contacts.

From the home screen, touch Menu  > **System settings** > **Backup Assistant Plus** > **Backup Assistant Plus Contacts**, and then enter your password.

Note: Subject to specific terms of use. Results may vary based on backup schedule and other factors. See verizonwireless.com/baplus for more details.

ADD ACCOUNTS

To add more email and/or online accounts on your smartphone, touch Menu  > **System settings** > **Accounts & sync** > **ADD ACCOUNT** > *account type*. Follow the prompts to set up your account.

WELCOME HOME TO MOTOROLA

Switching from an Apple or Blackberry phone? Get all your important information set up on your new Motorola smartphone in a few easy steps. The Welcome Home To Motorola application transfers contacts, email addresses, calendar meetings, events, tasks, music, playlists, photos, and videos from your old phone to your new Motorola smartphone.

To move information from your old phone to your Motorola smartphone:

- 1** Use your computer browser to navigate to www.markspace.com/welcomehome/, and download the free Microsoft® Windows® or Apple Macintosh version of the Welcome Home To Motorola application to your computer.
- 2** Install and run the application on your computer.
- 3** Follow the application instructions on your computer to transfer information from your old phone to your Motorola smartphone.

The Welcome Home To Motorola application will prompt you to connect your old phone to the computer with a USB cable, and backup the data you want to transfer.

Next, you will be instructed to install the Welcome Home To Motorola app on your Motorola smartphone, connect the smartphone to your computer with a USB cable, then transfer and unpack the data onto the Motorola smartphone.

VOICEMAIL

SET UP VOICEMAIL

- 1 Dial ***86 (*VM)**. If you hear a greeting, touch **#** to interrupt it.
Shortcut: Touch and hold **1** in the dialer screen to call your voicemail number.
- 2 Follow the setup tutorial. You will be prompted to select a password, and record a voice signature and greeting.

ACCESS VOICEMAIL FROM YOUR SMARTPHONE

- 1 Dial ***86 (*VM)**. When you hear your greeting, touch **#** to interrupt it.
- 2 Follow the prompts to enter your password and retrieve your messages.

ACCESS VOICEMAIL FROM ANY PHONE

- 1 Dial your wireless number. When you hear your greeting, touch **#** to interrupt it.
- 2 Follow the prompts to enter your password and retrieve your messages.

RESET YOUR VOICEMAIL PASSWORD

To learn how to reset your password or discover other features, visit verizonwireless.com/myverizon.

Note: Voice mailboxes not set up within 45 days will be cancelled. Your Verizon Wireless voice mailbox is not password protected until you create a password by following the setup tutorial. Airtime and other charges will be incurred when using voicemail from your wireless device. Mobile to Mobile minutes do not apply to voicemail retrievals; you will be charged to maintain your connection to voicemail. Verizon Wireless is not liable for missed messages or deletions of messages from your voice mailbox, even if you have saved them.

VISUAL VOICEMAIL

One glance tells you all you need to know. View a list of messages without dialing into a mailbox. Listen or erase with the touch of a button.

Setting up Visual Voice Mail:

- 1 If you are a new Verizon Wireless subscriber, first dial ***86** to set up your voicemail service.
- 2 Touch Apps  >  **Voicemail** > **Subscribe to Visual Voice Mail** and follow the prompts to set it up.

Note: It may take up to five minutes for Visual Voice Mail to set up. Your password and voice mail messages will be stored on the device and messages will be available to anyone with access to the device. To limit unauthorized access to the voice mail, consider locking the device when not in use. To cancel your Visual Voice Mail service, go to

verizonwireless.com/myverizon or contact Customer Service. V Block must be removed to use Visual Voice Mail. Data charges apply only to the application download, which requires approximately 1 MB of data.

RINGTONES

Make your smartphone dance to your tune. Choose a ringtone, change the tone, or silence your phone.

To personalize your ringtones, touch Menu  > **System settings** > **Sound** > **Phone ringtone** or **Default notification**.

To silence your smartphone and make it vibrate for incoming calls, touch the down volume key one or more times until the phone vibrates and you see  in the status bar.

To assign a unique ringtone to a contact, touch Apps  >  **People** > *contact name*, then touch Menu  > **Set ringtone**.

Wi-Fi

Wi-Fi SEARCH & CONNECT

The Wi-Fi in range indicator  appears in the status bar when a network is available. Drag down the status bar and touch the **Wi-Fi networks available** notification to select and connect to a network.

When Wi-Fi is turned off, touch Menu  > **System settings** > **Wi-Fi**, then touch the **Wi-Fi** power switch to turn it  and scan for available networks. Touch a network to connect. When your smartphone is connected to the network, the Wi-Fi connected indicator  appears in the status bar.

Tip: When you are in range and Wi-Fi is on, you will automatically reconnect to available networks you've connected to before.

Wi-Fi ENHANCED CONNECTIVITY

Conserve your monthly data allowance by switching from the Verizon network to a Wi-Fi network for your Internet connections.

When you use the browser or other Internet apps, your smartphone scans for Wi-Fi networks (even when Wi-Fi is turned off) and prompts you to switch to a Wi-Fi network. If you have a usage-based data plan, you can conserve your

monthly data allowance by using a Wi-Fi connection.

Wi-Fi HOTSPOT

Caution: This application will significantly impact battery life. You may want to run this application with the charger connected.

Note: You need to subscribe to Wi-Fi hotspot service to use this feature. Contact Verizon Wireless for details.

Set up your smartphone as a Wi-Fi hotspot to provide portable, convenient Internet access to other Wi-Fi enabled devices.

To activate your Wi-Fi hotspot, touch Menu 
> **System settings** > **Tethering & Mobile Hotspot**
> **Mobile Hotspot.**

When your Wi-Fi hotspot is active, other Wi-Fi enabled devices can connect by entering your hotspot's **SSID**, selecting a **Security** type, and entering the correct **Password**,

Note: Risks can be associated with connecting to the public Internet. It is highly recommended that you take steps to protect your computer from unauthorized access.

To set up and add encryption to your Wi-Fi hotspot, touch Menu 
> **System settings** > **Tethering & Mobile Hotspot** > **Mobile Hotspot settings**
> **Configure Mobile Hotspot.**

BLUETOOTH®

PAIR A BLUETOOTH DEVICE WITH YOUR SMARTPHONE

To connect with a new Bluetooth headset or other device, you need to pair with it. You only need to do this once for each device—to connect again, just turn on the device.

- 1 Make sure the Bluetooth device you are pairing with is in discoverable mode.

Note: Refer to the guide that came with the Bluetooth device for details.

- 2 To turn on Bluetooth power, touch Menu  > **System settings** > **Bluetooth**, then touch the **Bluetooth** power switch to turn it  and scan.

- 3 Touch a device to connect.

- 4 If necessary, touch **OK**, or enter the device passkey (like **0000**) to connect to the device. When the device is connected, the Bluetooth connected indicator  appears in the status bar.

Note: Using a mobile device or accessory while driving may cause distraction and may be illegal. Always obey the laws and drive safely.

HEARING AID COMPATIBILITY INFORMATION

This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.

APPS & FEATURES

VERIZON APPS

Do more with your smartphone. Enjoy music, movies, videos, and games. Check the latest scores. Keep up with Twitter and Facebook®. Even plan a vacation. We've got apps that help you do it all. Go to **verizonwireless.com** for more information.

Note: Data charges may apply.

GOOGLE PLAY™

One of the great things about a smartphone is the apps. Whatever you're into, whatever you want to do, there's probably an app that can help you. So, go to the place that has it all, Google Play™ Store.

Note: You need to be signed in to your Google account to use Google Play.

Touch Apps  >  **Play Store**. Scroll to and touch the app you want to install. Then, touch **Install** (if app is free) or **Buy**.

Warning: To help prevent spyware, phishing, or viruses from affecting your phone or privacy, use apps from trusted sites, like

 **Play Store**.

WEBTOP APPLICATION

The webtop application and webtop-enabled accessories (sold separately) expand your phone onto any full-sized HDTV or monitor. It's web browsing, email, and more with computer-like precision on a large, high-resolution screen. Add a full size USB or wireless keyboard and mouse for serious productivity.

Just connect your smartphone to a Motorola Lapdock™, or to an HDTV or monitor, and you're ready to go. (see "ACCESSORIES" on page 44).

MOTOCAST

Stream or copy music, pictures, videos, and documents from your computer to your smartphone. MotoCast lets you pull content from your home or work computers at blazing fast 4G LTE speeds, providing secure, nearly instant remote access to your files.

Smartphone setup: Touch Menu  > **System settings** > **Accounts & sync** > **ADD ACCOUNT** > **MotoCast ID**, and follow the prompts to create a MotoCast account on your smartphone.

Computer setup: Connect your smartphone to the computer with a USB cable. Follow the on-screen instructions to install MotoCast on your computer, then log in to choose folders to share.

Use your smartphone's  **My Music**,  **My Gallery**, and  **My Files** apps to access the shared files stored on your computer.

Note: Copyright—do you have the right? Always follow the rules. See “Content Copyright” in your legal and safety information.

MOTOPRINT

Print email, documents, pictures, and contacts directly to shared printers on a Wi-Fi network—no printer drivers necessary. MOTOPRINT automatically discovers networked printers for

you. You can even save your favorite printers and geo-tag their location for future use.

To print something from the **Email**, **Quickoffice**, or **My Gallery** apps, open it and touch Menu  > **Print** or  > **Print**.

SMART ACTIONS

Tired of doing the same tasks over and over again? Let smart actions do them for you. You can create rules to do things, like automatically dim the touch screen when the battery is low, set your ringer to vibrate at work, or send auto-reply messages when you're busy.

For more information, touch Apps  >  **Smart Actions**, then touch Menu  > **Help**.

MESSAGES

Talk with your fingers. Make a bold statement with the touch of a button. For messaging rates and complete information, go to verizonwireless.com/messaging.

To **send** a text message, touch Apps  >  **Text Messaging** > **+**.

Tip: When the smartphone is locked, touch  and flick to  **Text**.

Enter the recipient and message. Touch Menu  to **Insert smiley**, **Set priority**, or **Add subject**.

To add an attachment, touch  in the upper right corner.

- To **open** a message and all of its replies, touch it.
- To **respond** to a message, open it and enter your response in the text box at the bottom.
- To **delete** a message, touch and hold to select it, then drag it to the trash can  in the upper right corner.
- To **adjust** messaging options, touch Apps  >  **Messages** > Menu  > **Messaging settings**.

EMAIL

Tip: To set up a Google™ Gmail™ account on your smartphone, touch Menu  > **System settings** > **Accounts & sync** > **ADD ACCOUNT** > **Google**.

To read and reply to messages on your Gmail account, touch Apps  >  **Gmail**.

Tip: For more information, touch Apps  >  **Gmail** > Menu  > **Help**.

EMAIL

You can set up and use multiple email accounts on your smartphone.

Touch Menu  > **System settings** > **Accounts & sync** > **ADD ACCOUNT**, then:

- Select **Corporate** for Microsoft® Exchange server work email accounts. Enter details from your IT administrator.

Tip: You might need to enter your domain name and user name (like domain/username).

- Select **Email** for your personal email accounts. For account details, contact the account provider.

To read and reply to messages on your email accounts, touch Apps  >  **Email**.

GETTING STARTED WITH LOCATION-BASED SERVICES (LBS)

Verizon Wireless values your privacy. Because of this, your phone is defaulted to only acquire your location when you dial 911. To use Location-Based Services, you must first enable location services on your phone. To activate Verizon Wireless Location-Based Services on your smartphone, touch Menu  > **Settings** > **Location & security** > **VZW location services**.

Note: Your wireless device can determine its (and your) physical, geographical location ("Location Information") and can associate Location Information with other data. Additionally, certain applications, services and programs are capable of accessing, collecting, storing and using Location Information and disclosing Location Information to others. You should use caution when determining whether or not Location Information should be made available to others and you should review any applicable third party policies before providing access. To limit potential unauthorized access to your Location Information, Verizon Wireless offers various mechanisms and settings to manage access to location data. By enabling location settings you are permitting third party access to

Location Information through software, widgets or peripheral components you choose to download, add or attach to your wireless device or through web access, messaging capabilities or other means, and you are authorizing Verizon Wireless to collect, use and disclose your Location Information as appropriate to provide you with any location services that you enabled.

VZ NAVIGATOR®

More than just directions, VZ Navigator gets you where you're going and keeps you informed once you get there. Receive traffic alerts, find gas prices and directions to the station, search local businesses, share your location with friends, or speed-dial roadside assistance. Go to verizonwireless.com/navigator.

ACCESSORIES
