Regulatory information

For regulatory identification purposes, your product is assigned a Regulatory Model Number (RMN), HSTNH-H408C. The RMN is located on the back of the tablet, and should not be confused with the marketing name (if any, etc.) or product numbers (HP P/N, etc.). If required, regulatory markings for your country or region are located on the back of the unit, under the removable battery (if equipped), on the packaging, or elsewhere in this document. For more safety and regulatory information, refer to the Product Notices included with your tablet, accessible via the **HP User Guides** app.

Product Notices

Some notices may not apply to your product. One or more integrated wireless devices are installed in this device. In some environments, the use of wireless devices may be restricted. Such restrictions may apply on-board airplanes, in hospitals, near explosives, in hazardous locations, and so on. If you are uncertain of the policy that applies to the use of this product, ask for authorization to use it before you turn it on.

Limited Warranty

You can find the expressly provided HP Limited Warranty applicable to your product using the **HP User Guides** app. In some countries or regions, HP may provide a printed HP Limited Warranty in the box. For some countries or regions where the warranty is not provided in printed format, you may request a printed copy from <http://www.hp.com/go/orderdocuments> or write to:

 **WARNING:** To reduce the risk of electric shock or damage to the equipment, plug the AC adapter into an AC outlet that is easily accessible at all times.

 **WARNING:** To reduce potential safety issues, only the AC adapter provided with the product, a replacement AC adapter provided by HP, or an AC adapter purchased as an accessory from HP should be used with the product.

 **WARNING:** To reduce the possibility of heat-related injuries or of overheating the tablet, do not place the tablet directly on your lap. Do not allow a soft surface, such as pillows or rugs or clothing, to block airflow. Also, do not allow the AC adapter to contact the skin or a soft surface, such as pillows or rugs or clothing, during operation. The tablet and the AC adapter comply with the user-accessible surface temperature limits defined by the International Standard for Safety of Information Technology Equipment (IEC 60950).

 **WARNING:**  Listening to music at high volume levels and for extended durations can damage one's hearing. To reduce the risk of hearing damage, lower the volume to a safe, comfortable level and reduce the amount of time listening at high levels.

For your own safety, before using headsets or earphones, always reset the volume. Some headphones are louder than other headphones, even if the volume control setting is the same.

Changing the default audio or equalizer settings might lead to higher volume and should only be done with caution.

For your own safety, headsets or earphones used with this product should comply with the headphone limits in EN 50332-2.

If the product includes a headset or earphones, this combination is in compliance to EN 50332-1.

 **WARNING:** To reduce the risk of fire or burns, do not disassemble, crush, or puncture; do not short external contacts; do not dispose of in fire or water.

IMPORTANT: The battery(ies) in this product cannot be easily replaced by users themselves. Removing or replacing the battery could affect your warranty coverage. If a battery is no longer holding a charge, contact support.

When a battery has reached the end of its useful life, do not dispose of the battery in general household waste. Follow the local laws and regulations in your area for battery disposal.
