of any place where fuel and chemical preparations, or any other dangerous goods are stored.	
18 Taking Care of Your Device	
Your device is a product of superior design and craftsmanship and should be handled with care: The following suggestions will help you protect your phone:	
<ul style="list-style-type: none">Keep the device dry. Precipitation, humidity, and all types of liquids or moisture can contain minerals that will rust electronic circuits. If your device does get wet, remove the battery without turning on the device, wipe it with a dry cloth and take it the service center.Do not store the device in high or cold temperature. High temperatures can shorten the life of electronic devices and damage batteries.Do not use or store the device in dusty, dirty areas. Its moving parts and electronic components can be damaged.Do not attempt to open the device other than as instructed in this guide. Repairing this phone by yourself other than our authorized service agents/centers goes against the warranty rules.Do not drop, knock, or shake the device. Rough handling can break internal circuit boards and fine mechanics.Do not use harsh chemicals, cleaning solvents, or strong detergents to clean the device. Only use a soft, clean, dry cloth to clean the surface of the device.Do not store your device near magnetic fields or allow your device to come in contact with magnetic fields for extended period of time.	
Battery Recommendations:	
<ul style="list-style-type: none">Please put the battery in a cool and well-ventilated place out of direct sunlight. We recommend you to charge the battery at room temperature range.Batteries have life cycles. If the time that the battery powers equipment becomes much shorter than usual, the battery life is at an end. Replace the

17 Health and Safety Precautions	
Please read these simple guidelines. Not following them may be dangerous or illegal.	
SAR Compliance	
<ul style="list-style-type: none">Your phone is designed not to exceed the limits of emission of radio waves recommended by international guidelines.SAR (specific absorption rate) is the measurement of body-absorbed RF quantity when the phone is in use. SAR value is ascertained according to the highest RF level generated during laboratory tests.The SAR value of the phone may depend on factors such as proximity to the network tower, use of accessories or other accessories.The highest SAR value of the device at the head and body are below 1.6W/kg respectively averaged over 1 gm. of human tissue.	
SAR Recommendations	
<ul style="list-style-type: none">Use a wireless hands-free system (headphone, headset) with a low power Bluetooth emitter.Please keep your calls short and use SMS whenever more convenient. This advice applies especially to children, adolescents and pregnant women	
KKT Ace	Page 14

User Manual	
(repairs),abuse, accidents, Acts of God, spills of food or liquids, improper installation	
<ul style="list-style-type: none">You have not notified Lava of the defect in the product during the applicable warranty period.The product serial no. code or the accessories date code has been removed, defaced or altered.The product has been used with or connected to an accessory (i) Not supplied by Lava or its affiliates, (ii) Not fit for use with the product or (iii) Used otherwise than in manner intended.The seals of the product's battery enclosure have been broken or shown evidence of tempering or the product's battery has been used in equipment other than that for which it has been specified usable by LAVA.All plastic surfaces and all other externally exposed part that is scratched or damaged due to normal use.	
To get maximum of your new product, we recommend you to:	
<ul style="list-style-type: none">Read the guidelines for safe and efficient use as mentioned in the manual.Read the terms and conditions of your Lava warranty in the manual.Keep your original receipt; you will need it for warranty services if asked to produce.Present this Lava Warranty Certificate along with original proof of purchase whenever you require any warranty services.
